

Preparation for Your Custom Shade at Dental Prosthetics of Tucson

We take great care in and are highly trained for evaluating the exact color and shading of your dental restorations. Your visit or visits will ensure your smile is as beautiful as you desire.

Before Your Visit

- Please call us at 520-722-4484 to make an appointment. DATE: _____ TIME: _____
- Make sure your teeth are hydrated by waiting at least 6 hours after your dental appointment
- Bleaching? Wait at least 4 days after final bleaching treatment to allow tooth color to “settle.”
- Please brush your teeth to ensure you will not have any temporary color variations.

Thank you! We look forward to serving you!
